Preteen

DAILY CUES

Morning Time

Pick one thing that you usually do for your child in the morning and let them take charge and be responsible for it. Making sure they have everything for school? Encourage them to prepare the night before and have their bag ready. Making lunch? Teach them to do this and again, work on it the night before. Tell them that you trust they can do this!

Drive Time

Ask your preteen: “How can you use what you have responsibly?” Encourage your preteen to think of things other than physical items; such as, a good work ethic, intelligence, being friendly, etc.

Meal Time

Q & A FOR KIDS: What is something you're responsible for that you really enjoy doing?

Q&A FOR PARENTS: When you were a kid, what kind of responsibilities did you have around the house?

Bed Time

Share with each other what you think your “work” is. Solomon says that a wise person doesn't need a lot of reminders to work hard and throw all their effort into a project. Instead, they get the reward of a job well done. What do you think is your reward when you put good effort into your work? Pray that you would find joy in putting your heart and soul into your work.
